

A Premier Network of Fertility Specialists

Progyny has built a fertility provider network that is unmatched in the industry, allowing you to choose from 900 of the nation's top reproductive endocrinologists. Fertility specialists in our network use the latest advancements in science and technology to increase your chances of a healthy and successful pregnancy. The Progyny benefit is comprehensive and flexible, so your doctor can work with you to create the right treatment plan for you.

Access to High Quality Care

Our Medical Advisory Board continually reviews the latest science and research to make sure that your benefit allows your doctor to utilize the best clinical practices and latest technologies, ensuring you receive the highest level of care.

Superior Clinical Outcomes

Every one of our fertility specialists use the latest advancements in science and technology to increase the chances of a healthy and successful pregnancy. The Progyny benefit design is comprehensive so your doctor is able to work with you to create the customized treatment plan that is best for you based on clinical criteria, not costs. This unique combination enables our network to deliver the best clinical outcomes in the industry, including healthier pregnancies, lower miscarriage rates, and lower twinning rates, as compared to national averages.
